Town of Garner

Town Council Meeting October 17, 2023

Garner Town Hall 900 7th Avenue Garner, NC 27529

Town of Garner Town Council Regular Meeting Agenda October 17, 2023

This regular meeting of the Council will be conducted at 6:00 p.m. in the Garner Town Hall located at 900 7th Avenue, Garner.

- A. CALL MEETING TO ORDER/ROLL CALL: Mayor Ken Marshburn
- B. PLEDGE OF ALLEGIANCE: Council Member Dellinger
- C. INVOCATION: Council Member Dellinger
- D. PETITIONS AND COMMENTS

This portion of the meeting is to receive comments from the public on items not included in this agenda. Citizens should sign up with the Town Clerk to speak prior to the start of the meeting. The Board is interested in hearing your concerns but may not take action or deliberate on subject matter brought up during the Petitions and Comments segment. Topics requiring further investigation will be referred to the appropriate town officials or staff and may be scheduled for a future agenda.

- E. ADOPTION OF AGENDA
- F. PRESENTATIONS
- G. CONSENT
 - 1. Parks, Recreation & Cultural Resources Strategic Plan Update Page 4 Presenter: Maria Munoz-Blanco, PRCR Director

Parks, Recreation & Cultural Resources Strategic Plan 2023-2027 will serve to implement the priorities identified in the amended Chapter 10 (Action + Implementation Plan) of the PRCR Comprehensive Master Plan.

Action: Consider approval of Parks, Recreation & Cultural Resources Strategic Plan 2023-2027

2. North Carolina Arts Council Grant for Garner Performing Arts Center Page 25 Presenter: Maria Munoz- Blanco, PRCR Director

The Garner Performing Arts Center has been awarded an \$11,182 "Spark the Arts" grant from the North Carolina Arts Council. Grant funds will be used to support family arts programming through the GPAC PLAYhouse Series.

Action: Consider approving grant, budget amendment (2023) 5128 and authorize the Manager to execute grant agreement.

| 3. | Surplus Property Page 28 |
|----|---|
| | Presenter: David Beck, Finance Director |

As a result of replacing vehicle laptops the police department has a number of mounting components that are no longer compatible and can be declared as surplus property.

Action: Consider approving Resolution (2023) 2547

H. PUBLIC HEARINGS

1. Tier 2 Conditional Rezoning # CZ-MP-22-14, Vintage Garner Page 30 Presenter: Ashley Harris, Planner

Tier 2 conditional rezoning request (CZ-MP-22-14) submitted by Thomas H. Johnson, Jr. (Williams Mullen) to rezone approximately 43.26 +/- acres from Light Industrial (LI) and Rural Agricultural (RA) to Commercial Mixed Use (CMX C274) Conditional for a mixed-use development of a maximum of 654 multi-family units and 40,000 square feet of commercial space. The site is located on the west side of US Highway 401 (Fayetteville Road) between Farm Road and Transport Drive and may further be identified as Wake County PIN #'s 1701046088 and 0791932831.

Action: Consider closing public hearing to refer case to Planning Commission for consistency review and recommendation.

2. Tier 2 Conditional Rezoning # CZ-MP-23-01, Dougher Light Industrial Page 69 Presenter: Ashley Harris, Planner

Tier 2 conditional rezoning request (CZ-MP-22-01) submitted by Windsor Commercial to rezone 3.75 +/- acres from Residential 2 (R2), Light Industrial (LI), Light Industrial (LI C14) Conditional, and Light Industrial (LI C73) Conditional to Light Industrial (LI C271) Conditional for the development of an additional industrial shell building. The site is at the northwest corner of East Garner Road and High Hope Lane and may be further identified as Wake County PIN #'s 1721313405, 1721313154, 1721311388 and a portion of 1721311177.

Action: Consider closing public hearing to refer case to Planning Commission for consistency review and recommendation.

I. NEW/OLD BUSINESS

 Meadowbrook Park Dam Improvements – Bid Award for Phase 1 Construction Page 101 Presenter: Lisa Rodriguez, Senior Project Manager

Approval of bid award to North State Environmental, Inc. in the amount of \$240,585.00 for the construction of Phase 1 of the Meadowbrook Park dam. Phase 1 consists of

draining the existing pond, relocating native fish, and safely breaching the earthen dam.

Action: Consider approval of the bid award to North State Environmental Inc. in the amount of \$240,585.00.

- J. COMMITTEE REPORTS
- K. MANAGER REPORTS
 - 1. Talk of the Town
 - 2. Quarterly Finance Report
 - 3. Quarterly Capital Projects Update
- L. ATTORNEY REPORTS
- M. COUNCIL REPORTS
- N. CLOSED SESSION

Pursuant to N.C. General Statutes Section 143.318.11(a)(5) to discuss possible real estate acquisition and the Town's negotiating position regarding such real estate.

Re: PRCR Strategic Plan 2023-2027

The Town of Garner Comprehensive Master Plan for Parks, Recreation and Cultural Resources was adopted on 01/21/2020. The plan's Action + Implementation Plan (Chapter 10) features 18 goals, 55 objectives, and 215+ strategies/action items to achieve the stated goals. Town Council approved at their 09/19/2023 regular meeting an amendment to update Chapter 10 with a timeline and prioritization of strategies/action items. The amendment to Chapter 10 was developed in FY2023 through a review process undertaken by the PRCR Advisory Committee and staff.

At the 08/29/2023 Work Session briefing on the Chapter 10 review process, staff noted that following the amendment to Chapter 10, an updated Strategic Plan would be presented to Council as well. This Strategic Plan was developed to summarize the action items identified as ongoing and short term as well as those that are priorities pending funding. The Strategic Plan draft was shared with the PRCR Advisory Committee at their 09/18/2023 meeting. The Strategic Plan is a requirement of the department's accreditation by the Commission for Accreditation of Parks & Recreation Agencies (CAPRA).

Staff Recommendation

That the Town Council approve the PRCR Strategic Plan 2023-2027.

Garner Parks, Recreation & Cultural Resources

Garner Parks, Recreation and Cultural Resources (PRCR) manages 12 parks totaling 473 acres and five facilities featuring open space, athletic courts and fields, picnic shelters, playgrounds, trails, classrooms, and more.

The Town of Garner is committed to expanding the Parks, Recreation and Cultural Resources Department's programming and amenities with recreation parkland and greenway trails. Parks Capital Projects develop and enhance park, recreational and cultural opportunities for Town residents. In November 2021, Garner voters approved four bond referendums, including \$35.5 million in Parks and Recreational Bonds. These funds will go toward new park development, rehabilitation projects at existing parks, and greenways. Along with bonds, the Town has been awarded grants to help with this mission.

Mission Statement

To enrich the quality of life in Garner by offering a diverse system of parks, recreational facilities, programs, and cultural resources.

Vision Statement

Helping Garner maintain its high quality of life and service delivery to its citizens and visitors through the following core values:

- *Leadership* fostering a climate of creativity that develops high-potential talent and embraces innovation cutting-edge ideas and accountability for making decisions and recommendations. (*TOG- Efficient & Timely Service Delivery*)
- Efficiency- Ensuring that programs and services are provided efficiently and effectively while matching community needs. (TOG- Fiscal Responsiveness, Efficient & Timely Service Delivery)
- *Diversity* Recognizing the changing demographics of the community and celebrating the unique qualities, characteristics, and experiences. (*TOG- Orderly Growth*)
- Stewardship- Maintaining aesthetically pleasing parks and facilities (TOG- Quality of Life)

History

From its beginning in 1967, the department was created to serve the community. Citizens requested funds for lights at a field being used for volunteer-led recreation. The following year, the Town hired the first part-time director to oversee this project and facilitate the other volunteer programs that were providing recreation. In 1972, Ross Whitfield was the named the first full-time director, and recreation services in Garner began to expand beyond athletics to providing parks, programs, and facilities. By 2012, the Town acknowledged the important role that arts and culture plays in the community and added "Cultural Resources" to the name of the department.

In 2015, the department was honored as a nationally accredited agency by the National Recreation and Park Association and CAPRA and was reaccredited in 2020. This mark of

distinction indicates that an agency has met rigorous standards related to the management and administration of lands, facilities, resources, programs, safety, and services.

Why Parks and Recreation

As one of the largest land managers in the nation– especially in dense urban centers and metropolitan regions – local parks are key to climate-change mitigation and adaptation by providing opportunities for people to engage with nature and by creating healthy and biodiverse ecosystems. Park and recreation professionals are integral to both the proactive and responsive actions essential to building resilience in communities across the country, especially among underserved populations. By providing environmental programming, enhancing the ecological capacity of parklands and advocating for the benefits of nature, park and recreation professionals are addressing our most pressing societal needs through the power of parks. *Source: NRPA Strategic Plan*

The Team

The full-time team is comprised of 19 staff members that oversee department operations across programming teams. Our part-time team includes over 70 seasonal and supplemental staff across all program areas. They, along with countless volunteers, play an integral role in helping Garner maintain its high quality of life and service delivery to its citizens and visitors through the following core values: leadership, efficiency, diversity, and stewardship.

Arts and Culture

The Arts and Culture team is responsible for operating the Garner Performing Arts Center (GPAC) and coordinating a variety of cultural arts programs including the "It's Showtime" performance series, lobby art exhibits, arts education classes and camps, and auditorium rentals. Program partners include Miss Garner pageant, Towne Players of Garner, Seed Art Share, Backyard Arts Garner, Garner Chamber of Commerce, and Downtown Garner Association.

Operations: Administration, Marketing, and Events

The Operations team is responsible for providing leadership for the department, overseeing strategic planning, operating policies, public information, customer service, grant writing, coordination of citizen committees, and other support functions. The team also provides department leadership, fiscal management, record keeping, staff training, and evaluation. The marketing and events section of the team is responsible for planning and implementing Townwide special events such as the Independence Day Celebration, Spring Eggstravaganza, Trick or Treat the Trail, Holiday Block Party, Festival Latino, and Friday Family Flicks. Additionally, the team is responsible for Garner PRCR marketing efforts and works closely with the Town's Communications Department on various projects.

Parks and Nature

The Parks & Nature team operates White Deer Park and its LEED Gold Certified Nature Center; Lake Benson Park, including Garner Veterans Memorial; Lake Benson Boathouse; and all picnic shelters. Program offerings include environmental education for preschool, youth, and adult participants; summer nature camps; curriculum-approved environmental education programs for local schools and other groups; outdoor recreation programs; and citizen science opportunities. This team also manages education-based special events like Groundhog Day, Statewide Star Party, and Big Sweep/Litter Sweep. Programming partners include local schools, businesses, civic organizations, the library, and professionals from the scientific community. The team also coordinates the department's capital projects working closely with the Town's Engineering Department.

Program Partners

Garner PRCR works with several program partners to provide a well-balanced offering of recreation, athletic, cultural, and environmental educational programs, as well as community events that enhance the lives of citizens and participants and improve the quality of life in Garner. The goal is not to overlap or duplicate services but to provide the residents with quality choices for leisure activities that are delivered in a cost-effective manner. The Town of Garner also provides funding to some program partners through the budget process. Program partners include Garner Sports League, Garner Baseball, Inc., North Carolina Football Club, Garner Civitan Club, Downtown Garner Association, Meals on Wheels, Garner Police Athletic/Activities League, Miss Garner Association, Resources for Seniors, Towne Players of Garner, United Arts Council of Raleigh/Wake County and local schools, non-profits, businesses, and civic organizations.

Recreation and Athletics

The Recreation and Athletics team is responsible for planning, implementing, and supervising recreational and athletic activities for youth and adults at Town-owned facilities. The team manages the Garner Recreation Center (GRC), Garner Senior Center (GSC) and Fitness Annex, and Avery Street Recreation Center. The team also coordinates the rental of Town-owned athletic fields and facilities. Programs include youth-focused Camp Kaleidoscope, summer specialty camps, after school, youth basketball and volleyball leagues, pre-school sports and arts programs; adult softball and basketball leagues; fitness classes for adults (16 and older) which include dance, strength training, aerobics, yoga; and a variety of activities for older adults to stay physically and socially active. Program partners at the GSC include Meals on Wheels of Wake County to provide a congregate daily meal and home delivered meals and Resources for Seniors to provide consumer education and information and referral for services. The team also provides support to youth sports agencies to meet the needs of the community.

Advisory Committees

Parks and Recreation Advisory Committee

The committee provides recommendations to the Town Council on recreation services, facilities, and fee policies.

Senior Citizens Advisory Committee

The committee serves in an advisory capacity with the Town of Garner, Resources for Seniors. and Meals on Wheels, in planning, coordinating, and directing of programs and activities for senior citizens.

Veterans Advisory Committee

The committee is made up of seven at-large members (at least four are honorably discharged veterans) and a representative from the Veterans of Foreign Wars Post #10025 and the American Legion, Post 232. This committee explores ways in which to honor and recognize

the service of area veterans; assist the Town of Garner's planning for ceremonies, observances, holidays, and events honoring veterans and interact with local veterans' organizations and assist in the preservation, operation, integrity, maintenance, and upkeep of the Garner Veterans Memorial.

Town of Garner

Garner is an incorporated town in Wake County, North Carolina. It is situated approximately eight miles south of the state capital of Raleigh. Located in a region consistently ranked among America's best places to live, work, raise a family, and earn a quality education, Garner is an idyllic suburban community that offers something for everyone. In addition to being known for its hometown character, historic downtown area, top-rated schools, and quiet neighborhoods, Garner also offers an excellent climate for new, relocating, or expanding businesses. Garner was named an All-America City in 2013 because of innovative, citizen-led projects that improve the quality of life and expand educational and cultural opportunities for citizens of all ages. Garner is served by the Wake County Public School System, the largest school system in the state and the 15th largest in the country. The information below was provided by US Census QuickFacts (v2022) and the Garner Planning Department.

Vision Statement

The Town of Garner nurtures a hometown charm and natural environment for residents and businesses while encouraging new economic, recreational, and cultural opportunities through wise planning and investment.

Strategic Priorities

The latest <u>Town of Garner Strategic Plan</u> was adopted by Town Council in 2016. It serves as a multiyear representation of the Town's mission. The new plan further defines the Town's strategic priorities and better links Town Council with staff plans. The core values for Garner Parks, Recreation and Cultural Resources are directly linked to the Town's Strategic Plan goal statements, which make up the mission.

The Town's Strategic Plan is designed to be a multiyear representation of the Town's mission. And is organized around four goal statements:

- Support and encourage an active and engaged citizenry
 Embrace diversity and be responsive to the changing demographics of the community
- Provide a broad mix of arts. leisure. and recreation opportunities

Budget

Each fiscal year, the budget team works with departments to develop the <u>budget</u> and align annual department goals with the Town's Strategic Plan. The Garner Parks, Recreation and Cultural Resources Strategic Plan provides framework for future budget cycles.

Form of Government

The Town of Garner operates under the council-manager form of government. The Town Council is a five-member body, and all seats are at-large. The Council enacts ordinances and resolutions, adopts the annual budget, approves the financing of all Town operations and capital projects, and authorizes contracts of significant scope. The town manager is responsible for implementing the policies of the Council and managing the day-to-day operations of the Town government.

Comprehensive Plan Overview

The Town of Garner conducted a planning process in 2019 to develop a 10-year <u>Comprehensive Master Plan</u> for Parks, Recreation and Cultural Resources. This plan was adopted by the Town Council on January 21, 2020. The recommendations of the Comp Plan were grouped in five general areas: Parkland, Programming, Arts & Cultural Resources, Operations, and Finances. The 10-year plan features 18 goals, 55 objectives, and 215+ strategies or action items to be pursued to achieve the stated goals. At the time of its adoption, the Comp Plan did not include a timeline for completion or estimated cost for the recommended actions.

Implementation Strategies

In fiscal year 2023, the Parks, Recreation & Cultural Resources Advisory Committee and department staff reviewed the 215+ strategies to assess their ongoing feasibility and prioritize them as short-term, ongoing, or aspirational and long-term. The objective of this review was twofold: (1) to establish a realistic timeline for the 215+ strategies and update Chapter 10 of the Comp Plan and (2) to identify the short-term action items that serves as the basis for the PRCR strategic plan. The department used the review to track the progress towards the Comp Plan's implementation and update the Action + Implementation Plan (Chapter 10) of the Comprehensive Master Plan. The <u>Chapter 10 amendment</u> was approved by Town Council in September 2023.

SWOT Analysis

This SWOT Analysis was first developed in September 2014, when the department engaged consultant Mary Henderson, former Parks, Recreation & Cultural Resources Director for the Town of Cary, NC. The first SWOT Analysis session was conducted with department staff, the second one with programming partners and advisory committees of the department. The purpose of this exercise was to obtain answers to the following questions to gain a comprehensive overview of the department:

S - What are the Departments Strengths?

- W What are the Department's internal Weaknesses?
- O What external Opportunities are available for the Department?
- T What external challenges or Threats might face the Department?

This SWOT Analysis has been reviewed and updated for this Strategic Plan.

| Strengths Governance and community support for parks and recreation Knowledgeable, creative, and competent staff Wide offering of programs and activities for all ages Award-winning parks and programs Town special events Community engagement New facilities | Weaknesses Limited staffing levels Budgetary resources (operational and capital budget) Limited greenways, trails, and connectivity between parks Aging facilities Town operational policies and procedures (approval processes, hiring processes, contract processing) |
|--|--|
| Opportunities 2021 Bond Program & Penny for Parks Funding Community Partnerships Marketing Program growth and development (local, state, and national levels) Revenue generation (sponsorships, grants, bond, rentals, naming rights) Culturally diverse programs and events | Threats Economic factors (budget shortages, limited disposable income of families) Local, county and state politics Competing agencies and organizations offering similar programming Safety and security of parks and facilities |

Goals and Objectives

The goals and objectives of the Strategic Plan are informed by the priorities established in the PRCR Comprehensive Master Plan. The Strategic Plan will focus on objectives and action items identified as ongoing and short-term in the Comp Plan. The Strategic Plan will also include strategies that are not currently funded but with the understanding that as funding becomes available, those unfunded strategies will then be undertaken in the department's work plan.

| Goal | Objective | Ongoing & Short Term | Priority Pending Funding |
|--|---|----------------------------|--------------------------------|
| Parkland Goal 1: Build high quality parks for the growing Garner Community | 1.1. Develop between 83.2 acres and 184.3 acres of parkland to maintain a level of service of 10.5 acres of parkland per resident during the next 10 years | • | |
| | 1.2. Upgrade existing parks to reflect best practices in park design for: Diversity of park amenities; Green infrastructure; Maintenance; ADA + Inclusivity; Shade + comfort; Placemaking; Connectivity; CPTED + Safety | | • |
| | 1.3. Implement best practices in park design for future park development using: Diversity of park amenities; Green infrastructure; Maintenance; ADA + Inclusivity; Shade + comfort; Placemaking; Connectivity; CPTED + Safety | • | |
| | 1.4. Evaluate Unified Development Ordinance and revise as necessary to increase private investment into parks and trails. | | • |
| | 1.5. Use results of community engagement and statistically valid survey when identifying amenities for existing park upgrades and future park programming. | • | • |
| Parkland Goal 2: Create a community trail network that connects people to the places they want to go locally and within the regional trail network. | 2.1. Maintain a level of service of 1 mile of trail per 10,000 residents during the 10-year planning horizon. | • | • |

| Goal | Objective | Ongoing & Short Term | Priority Pending Funding |
|--|---|----------------------------|--------------------------------|
| Parkland Goal 3: Maintain existing indoor facility space and remain responsive to changing demographic and recreational trends | 3.3. Reference maintenance plans implemented by Public Works Department to improve overall visual appearance of buildings and facilities. | | |
| | 3.4. Ensure ADA Transition Plan is up to date and being implemented by Public Works Department. | | |
| Parkland Goal 4: Leverage parks and greenway trails as a platform to meet larger community goals. | 4.2. Ensure residents have equitable access to high quality parks. | • | |
| | 4.5. Implement universal design standards to guarantee access and use of parks and amenities regardless of a user's age or disability status. | | |
| | 4.6. Maintain high quality athletic facilities for Department-led and partner-led athletic programming. | | |
| | | | |
| Programming Goal 1. Build capacity to continue existing services and implement the recommendations of the Comprehensive Plan | 1.1. Strategically seek out potential partners or contracted facilitators to build capacity in service delivery as new programming needs and interests are developed. | • | |
| | 1.2. Develop new recreation positions to meet the needs of the community through cost of service and identified cost recovery to assist in building position salary and capacity. | • | |
| | 1.3. Enhance the Senior Center facility, technology, and audio-visual capabilities to better provide for security and programming that meet the need of the community. | • | |
| Programming Goal 2. Develop a programming mix that is balanced in lifecycle stages with new creative programming that serves diverse community interests. | 2.1. Develop quality new programming that aligns with community needs and interests. | • | |
| | 2.2. Continue to obtain feedback from the community to be responsive as the community evolves. | | • |

| Goal | Objective | Ongoing & Short Term | Priority Pending Funding |
|--|---|----------------------------|--------------------------------|
| Programming Goal 3. Implement annual collection, analysis and documentation best practices for recreation programs and services. | 3.1. Implement program management principles using key performance indicators to ensure consistent delivery of programs and services. | • | |
| Arts & Cultural Resources Goal 1: Invest in arts and cultural resources to continue developing the Town's culture and arts. | 1.1. Establish sustainability for arts and cultural resources, cultural assets, programming, and events. | • | |
| | 1.3. Capture cultural history to guide the overall direction of arts and cultural resources in Garner. | | • |
| | | | |
| Arts & Cultural Resources Goal 2: Enhance services to activate spaces and contribute to the Town's cultural resource services. | 2.1. Establish a public art program to incorporate pieces into the park system. | | • |
| | 2.2 Continue to nurture appreciation for and participation in the culture and arts of Garner. | | |
| | | | |
| Operations Goal 1: Build capacity in the organization to deliver quality services to the community. | 1.1. Continue to ensure quality management through updated standards, additional staff, and updated plans that provide direction to achieve the desired outcomes. | • | |
| | 1.2. Maximize existing technology and research new technology that can help the efficiency and effectiveness of the Department. | | |
| | 1.3. Evaluate existing declining services and new opportunities to determine the workload and departmental capacity. | • | |
| | 1.4. Use contracted services to build capacity and implement contract management best practices to achieve outcomes. | • | |
| Operations Goal 2. Continue building capacity in facilities that support recreation and cultural arts. | 2.1. Conduct a capacity study to maximize the use of spaces in the Garner Recreation Center, Avery Street Recreation Center & Annex, Senior Center, and GPAC. | | • |

| Goal | Objective | Ongoing & Short Term | Priority Pending Funding |
|---|--|----------------------------|--------------------------------|
| | 2.2. Allow for flexibility in capacity to remain agile in responding to changing priorities. | | • |
| Operations Goal 3: Continue to enhance marketing and communication of services using best practices in the private industry to achieve outcomes increasing awareness. | 3.1. Update the marketing and communications plan for the Department to include recommendations and data developed from the Comprehensive Plan and continue to ensure it is in line with Town standards. | • | |
| | 3.2 Identify and include the features, advantages, and benefits of Department programs and services into marketing to increase awareness. | • | |
| | 3.3. Implement additional best practices in departmental marketing and communications through content development, tracking, reach, and return on investment. | • | |
| | 3.4. Work with Public Works Department to enhance communication internally and tell the story of park maintenance to increase community awareness. | • | |
| Operations Goal 4. Continue to train staff on best practices to build capacity and create new skill sets needed to achieve operational outcomes. | 4.1. Identify necessary training to increase knowledge and capacity of employees for managing duties, responsibilities, and outcomes. | • | |
| | 4.2. Train staff on implementation of the Comprehensive Plan and improved operations for increased efficiency and effectiveness. | • | |
| Operations Goal 5. Regularly track and monitor capacity and workload to ensure resources needed are obtained to manage assets to achieve full lifecycle. | 5.1. Classify and prioritize parks maintenance functions and services as essential, important, and value added. | • | |
| | 5.2. Evaluate current workload and services annually to determine current capacity. | | • |
| | 5.3 Develop a cost of service and total cost of ownership model from maintenance tasks on specific parks, facilities, and amenities. | | • |

| Goal | Objective | Ongoing & Short Term | Priority Pending Funding |
|---|---|----------------------------|--------------------------------|
| | 5.4 Anticipate resources that will be needed as the Town evolves based off planned development, initiatives, and enhancements in Town services. | • | • |
| Operations Goal 6. Continue to train staff to ensure readiness, responsiveness, and develop new skillsets needed to achieve operational outcomes. | 6.1. Identify necessary training to increase the knowledge and skill sets of employees as new parks, facilities and amenities are added to the park system. | • | |
| | 6.2. Train staff on implementation of the Comprehensive Plan and the desired outcomes for increased efficiency and effectiveness in service delivery. | • | |
| | | | |
| Finances Goal 1: Establish strategies for identifying financial resources needed to incorporate new facilities, amenities, and services | 1.1. Develop a full cost of service assessment for the Department to determine unit costs in parks and cost recovery level goals in recreation programs and facilities. | • | |
| | 1.2. Develop a full cost of ownership assessment for the Department assets to determine unit costs in parks and facilities development. | • | |
| | 1.3. Continue cost containment measures to improve the cost recovery of each division and the Department. | | |
| Finances Goal 2. Continue exploration of varied funding sources and develop business plans to support operations, maintenance, and capital projects. | 2.1. Explore all funding for capital projects and implement the most feasible strategies. | • | |
| | 2.2. Explore funding for operations and maintenance and implement the most feasible strategies. | | |
| Finances Goal 3: Develop strategies and guidelines for management of deferred maintenance and financial documents. | 3.1. Establish a strategy to minimize deferred maintenance growth and ensure timely replacement of infrastructure and amenities. | | • |

As part of the strategic planning review of the Comp Plan, the following action items have been identified as priority based on future organizational capacity and increased funding. When those become available, the Strategic Plan will be amended accordingly to add these priorities to the short-term actionable plan.

| Goal Area | Priority for Short-Term Pending Funding | Long-Term and Aspirational |
|-----------------------------|--|---|
| Parkland | Continue improvements and upgrades to parks Additional planning for greenways | Development of new indoor recreational facility (21,900+ sq. ft) and additional greenways (33- 42.7 miles) Study economic and health impact of parks |
| Programming | Enhance Senior Center facility for continued programming | Use tools such as Program Evaluation Matrix and Mini Business Plans |
| Arts and Cultural Resources | Expand GPAC's <i>lt's</i> Showtime series with national acts Develop a cultural heritage trail Develop a public art program | Cultural heritage and preservation programs |
| Operations | Conduct a capacity / use study for PRCR (fields, buildings, staff resources) Expand training and professional development opportunities for staff | Expand use of technology |
| Finances | Incorporate new assets (facilities) in cost of service study | Increase administrative support in the department Continue to explore varied funding sources |

Performance Measures

As part of the Town's annual budget process, performance measures are used to assess the outputs and effectiveness of the annual departmental workplan. The following performance measures also track the implementation of goals and objectives identified as ongoing and short-term in this Strategic Plan. The annual target goal will be updated as part of the budget process as it is subject to staff and funding resources appropriated on an annual basis.

| Goal Area | Measure | FY23-24 Target |
|----------------|---|----------------|
| Parkland | Percentage of design phase completed for Yeargan Park (Objective 1.1, 1.3) | 100% |
| | Percentage of design phase completed for Meadowbrook Park Dam Improvements (Objective 1.1, 1.3) | 50% |
| | # of park furnishings replaced (Objectives 1.2, 1.5) | 150 |
| | # of miles of new greenway constructed (Objective 2.1) | 1.75 |
| | # of shelter and special event park permits (Objective 4.2) | 625 |
| Programming | Per capita participation in parks, recreation & cultural resources services (Objective 2.1) | 12.4 |
| | Percentage of recreation and athletics youth programs offered that met expected participation level (Objective 2.1) | 95% |
| | Percentage of recreation and athletic adult programs offered that met expected participation level (Objective 2.1) | 75% |
| | % of parks and nature programs offered that met expected participation level (Objective 2.1) | 93% |
| | % of special event survey responses indicating overall satisfied with events (Objective 2.2) | 85% |
| | % of GPAC survey respondents indicating very or extremely satisfied with arts/cultural program (Objective 2.2) | 98% |
| | # of new positions approved (Objective 1.2) | N/A |
| | # of new partners for expanded programming (Objective 1.1) | N/A |
| Arts & Culture | Percentage of GPAC shows that met expected attendance level (Objective 2.2) | 75% |
| Operations | Percentage of full-time staff completing professional development training (Objective 6.1) | 100% |
| | # of monthly social media reaches (average) (Objective 3.3) | 25,500 |
| | # of video or reels developed to promote PRCR programs and services (Objective 3.2) | N/A |
| Finances | # of grants submitted (Objective 2.1, 2.2) | N/A |

Some of the tools used to establish baselines and measure performance include statistically valid surveys (Comp Plan - Parkland 1.5.1), tracking park investments (Comp Plan - Parkland 4.2.1), participant surveys (Comp Plan - Programming 2.2.2), lifecycle evaluation (Comp Plan - Programming 2.3.2), workload management tools (Comp Plan - Operations 1.3.1, 5.1.1), and capacity calculations (Comp Plan - Operations 2.1.4).

October 10, 2023

To: Jodi Miller, Assistant Town Manager

From: Maria Munoz-Blanco, Director of Parks, Recreation & Cultural Resources (PRCR)

Re: North Carolina Arts Council Grant for GPAC

The Garner Performing Arts Center has been awarded an \$11,182 "Spark the Arts" grant from the North Carolina Arts Council. The Spark the Arts grant program supports arts and cultural organizations in projects that focus on post-COVID audience re-engagement and audience inclusion. The North Carolina Arts Council is an agency of the North Carolina Department of Natural and Cultural Resources. Its mission is to sustain and grow the arts for the benefit of North Carolinians and their communities.

Consistent with the grant program purpose, GPAC's application focused on its efforts to engage with family audiences through the GPAC PLAYhouse, a subset of GPAC's long-standing "It's Showtime" presenting series. GPAC PLAYhouse features youth-oriented theater performances that in FY24 will include *The Reluctant Dragon* and *The Magic School Bus*.

This is a matching grant that requires a 2:1 match. The match will be provided with approved FY24 GPAC contracted services; no new funds will be required.

A budget amendment is required to appropriate the grant funds.

Staff Recommendation

That the Town Council approve the acceptance of the grant and budget amendment and authorize the Town Manager to execute the grant agreement.

ORDINANCE NO. (2023) 5128

ORDINANCE AMENDING ORDINANCE NO. (2023) 5209 WHICH ESTABLISHED THE OPERATING BUDGET

BE IT ORDAINED by the Town Council of the Town of Garner, North Carolina:

Section One. That the GENERAL FUND be amended as follows:

| Key Meeting Dates: | |
| Public Hearing: | October 17, 2023 |
| Planning Commission: | TBD |
| Action: | TBD |

II. BACKGROUND / REQUEST SUMMARY

Request: Tier 2 conditional rezoning request (CZ-MP-22-14) submitted by Thomas H. Johnson, Jr. (Williams Mullen) to rezone approximately 43.26 +/- acres from Light Industrial (LI) and **Rural Agricultural (RA)** to **Commercial Mixed Use (CMX C274) Conditional** for a mixed-use development of a maximum of 654 multi-family units and 40,000 square feet of commercial space. The site is located on the west side of US Highway 401 (Fayetteville Road) between Farm Road and Transport Drive and may further be identified as Wake County PIN(s) 1701046088 and 0791932831.

Zoning conditions are proposed that restrict the range of permissible uses and to provide architectural commitments for the structures that address appearance and the quality of materials and construction.

III. ZONING ANALYSIS

Existing: The site is currently zoned **Light Industrial (LI)** and **Rural Agricultural (RA)**. The Light Industrial (LI) District is intended to provide for a limited range of low-intensity industrial uses that are not noxious or offensive due to odors, smoke, dust, noise, fumes, or vibration. Operations are restricted to inside a building with outdoor storage prohibited.

The following is a list of allowable uses in the Light Industrial (LI) District:

- 1. Security or Caretaker's Quarters
- 2. Assembly, Civil, Service Fraternal Clubs, Lodges and Similar Uses
- 3. Higher Education
- 4. Emergency Services
- 5. Prison, Jail, Detention Facility (SUP)
- 6. Cemetery (SUP)
- 7. Hospital (SUP)
- 8. Ambulatory Health & Emergency Care Facility (SUP)
- 9. Religious Institution
- 10. Bar, Nightclub, Tavern
- 11. Indoor Athletic or Entertainment Facility (not theater)
- 12. Outdoor Athletic or Entertainment Facility (SUP)
- 13. Theater, Drive-In (SUP)
- 14. Hotel / Motel
- 15. Other Office Uses Not Listed
- 16. Medical Office
- 17. Restaurant, Sit-down Establishment
- 18. Convenience Store, without Fuel Sales
- 19. Convenience Store, with Fuel Sales
- 20. Funeral Home
- 21. Crematorium (SUP)
- 22. Personal or Professional Services (up to 5,000 sqft ground floor footprint
- 23. Personal or Professional Services (> 5,000 sqft ground floor footprint)
- 24. Sales / Retail (no outdoor operations)
- 25. Sales / Retail (with outdoor operations up to 25 percent of total sales area)

- 26. Sales Oriented Use (with outdoor operations > 25 percent of total sales area)
- 27. Parking Lot or Deck, Commercial
- 28. Self Storage, Mini Storage
- 29. Veterinarian / Kennel, Indoor
- 30. Veterinarian / Kennel, with Outdoor Operations (SUP)
- 31. Vehicle Sales, Rental, Service, Repair
- 32. Flex Space, Other Light Industrial, Manufacturing, Warehousing, or Transportation Uses Not Listed
- 33. Microbrewery / Microdistillery
- 34. Wholesale Sales
- 35. Industrial, Manufacturing, or Production, Indoor Only
- 36. Passenger Terminals (SUP)
- Water Treatment, Wastewater Treatment, Natural Gas, Electric Substation (SUP)
- 38. Minor Utility
- 39. Telecommunication Facility
- 40. Concealed Telecommunication Facility
- 41. Greenhouse, Nursery (commercial), indoor operations

The Rural Agricultural (RA) District primarily accommodates agriculture, silviculture, and rural residential (aka large-lot single-family residential) uses. Other uses typically found in rural areas, including utility structures and other compatible uses are also found in the district. Properties zoned RA are typically found in areas outside the Town's corporate limits where public water and sewer services are not readily available.

The following is a list of allowable uses in the Rural Agricultural (RA) District:

- 1. Single-Family Detached
- 2. Manufactured Home Class A
- 3. Manufactured Home Class B
- 4. Other Group Living Uses Not Listed (SUP)
- 5. Group Care (with 9 or fewer residents)
- 6. Assembly, Civil, Service Fraternal Clubs, Lodges and Similar Uses
- 7. Community Center
- 8. Higher Education (SUP)
- 9. School, Primary or Secondary
- 10. Emergency Services
- 11. Prison, Jail, Detention Facility (SUP)
- 12. Cemetery
- 13. Religious Institution
- 14. Golf Course or Country Club, Private
- 15. Horse Stables and Related Facilities
- 16. Other Outdoor Parks and Open Space Uses Not Listed (SUP)

- 17. Public Park, Passive Open Space, Nature Park
- 18. Bed and Breakfast Home, 8 rooms or fewer
- 19. In Home Family Child Care Home
- 20. Crematorium (SUP)
- 21. Water Treatment, Wastewater Treatment, Natural Gas, Electric Substation (SUP)
- 22. Minor Utility
- 23. Solar Farms (SUP)
- 24. Telecommunication Facility
- 25. Other Agricultural Uses Not Listed (SUP)
- 26. Agriculture or Silviculture
- 27. Greenhouse, Nursery (commercial), indoor operations
- 28. Greenhouse, Nursery (commercial), outdoor operations (SUP)

Proposed: The proposed zoning of the site is Commercial Mixed Use (CMX C274) Conditional. The CMX district is designed to accommodate general commercial, retail, and service activities that serve the whole community. Offices and very light industrial uses may also be appropriate depending on the context. This district serves a wide range of users and may draw customers from outside of the town. It must have good automobile access and access to transit is preferred. Pedestrian connectivity is also important.

The applicant has proposed the following permitted uses and conditions:

1. Permitted Use Table:

Note: Permitted uses, whether by-right or special use permit, may be subject to additional use standards as described in the UDO and are subject to all other applicable regulations of the UDO. Uses designated with "—" indicates the use is not allowed in the respective area of the plan. There are two areas: one identified as residential, the other as commercial.

** Any form of group living protected by state or federal statute for use in single-family dwellings shall be permitted according to the specific use standards of the Garner Unified Development Ordinance.

- 2. Maximum building height for multifamily buildings shall be 57 feet and may be attained in accordance with provisions of UDO Section 5.6.8.C by providing increased building setbacks beyond the minimum required, as shown on master plan approved as part of conditional rezoning case CZ-MP-22-14.
- 3. Buildings 1 and 8 as shown on the master plan approved as part of conditional rezoning case CZ-MP-22-14 will have a minimum 2,500 square feet of coworking space each.
- 4. EV parking spaces shall be provided within the Residential and Commercial areas shown on the master plan approved as part of conditional rezoning case CZ-MP-22-14 at a rate of 1 EV space per 50 parking spaces (garages not included); locations and details to be determined and shown on the site plan submitted for review of this development.
- 5. Applicant shall provide a mural on the side of one of the commercial/retail buildings interior to the site, with details regarding location and timing to be determined and shown on the site plan submitted for review of this development.
- 6. All plant material to be installed in the development shall consist of native/non-invasive species, with details regarding plant type, location and timing of installation to be determined and shown on the site plan submitted for review of this development.
- 7. An enhanced pedestrian corridor with associated design elements including pedestrianscale lighting shall be provided consistent as shown on the master plan approved as part of conditional rezoning case CZ-MP-22-14, with details to be determined and shown on the site plan submitted for review of this development.

- 8. Fencing to be installed around the SCM will be consistent with UDO requirements and shall be determined and shown on the site plan submitted for review of this development.
- 9. An additional ten feet (10') shall be added to the required Neuse River Riparian Buffer and shown on the site plan submitted for review of this development.
- 10. A shared parking agreement consistent with UDO provisions/requirements will be provided between the multi-family residential use area and the commercial use area shown on the master plan approved as part of conditional rezoning case CZ-MP-22-14, with details regarding parking agreement to be determined and shown on the site plan submitted for review of this development.
- 11. All multifamily buildings will have a flat roof, with HVAC equipment mounted on the roof and screened by parapet walls.
- 12. All multifamily and commercial/retail entrances will include annual planting beds to be changed out at least two times per year.
- 13. A trail will be provided around the SCM as shown on the master plan approved as part of conditional rezoning case CZ-MP-22-14, with details regarding specific location and material to be determined and shown on the site plan submitted for review of this development.
- 14. A dog park amenity area containing a minimum of 3,000 square feet will be provided as part of Phase 1 or Phase 2 of the multi-family portion of the development, with details regarding specific location and design to be determined and shown on the site plan submitted for review of this development.
- 15. A minimum of 10,000 square feet of active outdoor open space will be provided at buildings containing leasing and indoor amenities for the residential units including but not limited to a swimming pool, corn hole, bocce ball, etc. Location(s) and other use/design details regarding the active outdoor space will be determined and shown on the site plan submitted for review of this development.
- 16. A public plaza containing a minimum of 4,000 square feet will be provided adjacent to commercial development on Lot 1 or Lot 2 shown on the master plan, with details regarding specific location(s) and other design-related details to be determined and shown on the site plan submitted for review of this development.

Overlay Districts: This property falls within the **Commercial Highway Overlay (CHO)** district. The Commercial Highway Overlay (CHO) District was established to: 1) Provide for functional, efficient transportation corridor; 2) Expand economic opportunity; 3) Protect community character; and 4) Preserve and promote the community's appearance and quality. The overlay is explained in Article 5.14.2. of the Unified Development Ordinance. None of the prohibited uses are proposed for conditional inclusion.

Commercial Highway (CHO) Overlay prohibited uses:

a. Drive-in movie theaters

- b. Adult cabarets and establishments
- c. Outside storage of goods not related to sale or use on premises
- d. Scrap materials, salvage yards, junkyards, and automobile graveyards
- e. Mining or quarrying operations; including on-site sales of products; coal or aggregate sale and or storage; concrete mixing plant;
- f. Reclamation landfill
- g. Commercial greenhouse operations
- h. Recyclable material collection centers
- i. Solar Farms

Residential, Mini Storage, Retail Industrial Convenience Store with fuel sales, vacant Landfill

IV. COMMUNITY INFORMATION

Overall Neighborhood Character: A mixed area of existing residential, light industrial and highway-oriented development. The area is heavily influenced by US 401 as the primary traffic facility in the immediate vicinity.

Traffic: The project will have approximately 700 feet of frontage along Fayetteville Road and 1,800 feet of frontage along Farm Road to be widened and improved. As general background information only, the NCDOT average daily traffic count history in this area is as follows:

Fayetteville Road

- Year 2011 28,000
- Year 2015 30,000
- Year 2019 32,500

- Year 2013 28,000
- Year 2013 30,000
 Year 2017 30,000
- Year 2019 32,500
 Year 2021 30,500
- 30,000 •
- Teal 2021 50,500

A traffic impact analysis (TIA) was required by both the Town and NCDOT. It was completed in November of 2022. NCDOT's Congestion Management Unit recommended the addition of an additional left turn lane on Farm Road, an additional south bound right turn lane at the intersection of Farm Road and US 401, a dedicated southbound right-turn lane at site driveway 1, and an additional U-turn lane at the Leonard Building's driveway south of the project boundary.

First Required Neighborhood Meeting: A neighborhood meeting was held October 6, 2022, at 6:00 PM in the Avery Street Recreation Center. All owners and occupants within 800 feet were invited via first class mail notice. There were approximately 3 people in attendance.

Neighborhood Meeting Summary: There were questions regarding the commercial uses being proposed, the number of bedrooms in the multi-family units, access to 401, and utilities. See full neighborhood meeting information attached at the end of this report for further detail.

Second Required Neighborhood

Meeting: A neighborhood meeting was held April 12, 2023, at 6:00 PM in the Avery Street Recreation Center. There were approximately 3 people in attendance.

> Neighborhood Meeting Summary: There were questions regarding the design of the multifamily buildings and questions related to utilities. See full neighborhood meeting information attached at the end of this report for further detail.

V. PLANNED DEVELOPMENT PROJECT DATA

Acreage: 43.26 +/- acres

Residential: 37 +/- acres; Commercial: 6 +/- acres

Units/Bldg Size:

• Multifamily: 654 units max. (~15.29 du/acre)

• Commercial: 40,000 sq ft retail/commercial

Master Plan:

Buildings: Sampling of elevations (to meet requirements of Article 9):

Lots and Setbacks: CMX – Large Residential Structures:

Front setback:10'Side (all) setback:10' (also see building separation)Rear setback:20'

All setbacks increase 10' adjacent to lots with single-family detached or duplex residential units.

| Maximum height: | 45' (up to 57' w/ additional setback) |
|----------------------|---------------------------------------|
| Building Separation: | 20' min. |

CMX – Non-residential Structures:

| | Front setback: Side setback: Corner Side setback: Rear setback: | 15' 10' (also see building separation) 15' 25' |
|-------------------------|--|---|
| | All setbacks increase detached or duplex r | 10' adjacent to lots with single-family esidential units. |
| | Maximum height: | 45' (unlimited w/ add'l setback and SUP) |
| | Building Separation: | 20' min. |
| Landscape and Buffer | <i>Tree Canopy Cover:</i> Sliding scale from 18-20% to be met. Master Plan envisions 20% (8.20 +/- acres) of preservation. | |
| Requirements: | Perimeter Buffers: | |
| | • 15' perimeter buffer | along southern property line |

- Street buffer along Farm Road
- Street buffer along US 401 •

Street Trees: Must be provided approximately every 40 feet along all roadways. Additional street trees to be provided in Vehicle Service Areas along property lines at a rate of approximately 1 every 40 feet.

Environmental There are FEMA designated floodplains and an associated 50-foot Features: conservation buffer at the western boundary of the project, adjacent to the railroad. This area of the property is reserved for stormwater management and tree preservation.

| Parks and Open | Open Space | |
|----------------|--|--|
| Space: | Total open space required: 10% (4.24 +/- acres min.) Total open space planned: Master Plan envisions 14% (6.3 +/- acres) Active open space required: (25% of total required) 1.06 acres. | |
| | Open space areas will be maintained by the property manager. The required open space will be met with a combination of qualifying conservation areas and recreation space. Recreation space will include a clubhouse, a swimming pool, dog parks, private trails and a public plaza. | |
| Lighting: | To be verified at site plan for UDO compliance. | |
| Parking: | To be verified at site plan for UDO compliance. | |
| Infractructura | Water / Sewer - The site will be served by City of Paleigh water and | |

Infrastructure: Water/Sewer – The site will be served by City of Raleigh water and sewer infrastructure. Water will connect to existing service in US 401 and the line will be extended through the site and along public streets. A new sanitary sewer pump station will be installed on site with a force main feeding into existing lines in Maxwell Drive. Sewer lines will be extended to adjacent and upstream properties per the Raleigh Water policy.

Stormwater Management – Vintage Garner is a mixed-use development that is not located within the watershed protection area. This site is subject to stormwater water quality requirements for nitrogen as well as water quantity requirements for the 1-, 10-, and 25year storm events. This development master plan proposes one stormwater control measure (SCM). This SCM shall satisfy all water quality and water quantity requirements at this site for nitrogen and will be required to detain the 1-, 10-, and 25-year storm events. Commercial lots are proposed to be treated with underground stormwater control measures.

Transportation/Access – The project will have three points of access along Farm Road. There will also be two points of right-in/right-out only access along US 401. Curb, gutter, sidewalk and additional pavement will be installed along both street frontages. Cross access to the south will be provided to PIN 1701037527.

VI. PLAN CONSISTENCY

Statutory Directive: When considering a rezoning request, the Planning Commission is required by state statute to make a written recommendation regarding the consistency of the zoning proposal with the Town's current Comprehensive Plan and other applicable adopted plans. Specifically, a comprehensive plan is only advisory in nature and has no independent regulatory effect; nor does it expand, diminish, or alter the scope of the Town of Garner UDO. A determination of inconsistency with the Plan <u>does not</u> preclude a rezoning request from being found to be reasonable. In those cases where the request is deemed inconsistent yet reasonable, an amendment to the Comprehensive Plan is automatically made upon approval of the request.

Staff offers that the Planning Commission shall review consistency with the following plans:

- 2018 Garner Forward Comprehensive Plan
- 2010/18 Garner Transportation Plan
- Parks, Recreation, Greenways and Cultural Resources Master Plan

Preview of 2018 Comp Plan's Future Land Use Map: (site is

currently designated as corridor commercial in red, while being at the edge of both a mixed-use and commercial focus area of change)

VII. REASONABLENESS

Statutory Directive: In addition to approving a statement regarding plan consistency upon the advice of the Planning Commission, the Town Council must also approve a statement of reasonableness when making their decision. Sources of reasonableness may include other sections of the 2018 *Garner Forward Comprehensive Plan* providing guidance on keeping the Town's character, living spaces, working places, recreation opportunities and transportation. Other adopted Town plans and policies providing guidance on parks, greenways, cultural resources and more may serve as sources as well. The Town Council may find that a rezoning request furthers the efforts to achieve specific goals and objectives stated within these plans and policies; and thereby render said request a reasonable one. The converse may also apply.

VIII. RECOMMENDATION

Staff recommends that once the Town Council has heard comments, concerns, and questions from the public that Conditional Zoning request CZ-MP-22-14 be referred to the Planning Commission for their review and recommendation regarding plan consistency.

Re: Notice of Neighborhood Meeting for Proposed Rezoning of 5100 Fayetteville Road (Wake County PIN: 1701046088)

Dear Neighboring Property Owner and/or Current Tenant:

You are invited to attend a neighborhood meeting to learn about a proposed rezoning of an approximately 37-acre property, owned by Lee & Hudgins Enterprises LLC, located at 5100 Fayetteville Road and identified as Wake County PIN: 1701046088, outlined in red as shown on the enclosed vicinity map. The meeting will be held on <u>Thursday, October 6, 2022 from</u> 6:00 PM until 7:00 PM at the Avery Street Recreation Center (Multipurpose Room A), 125 Avery Street, Garner, NC 27529. The purpose of the meeting is to provide owners and current tenants of neighboring properties an opportunity to learn from the applicant more about the requested rezoning, ask questions and share feedback with the applicant before the submittal of an application to the Town.

The subject property is currently zoned Light Industrial (LI) with a portion of the property adjacent to US Highway 401 (Fayetteville Road) within the Commercial Highway Overlay District. The applicant is proposing to rezone the property to the Commercial Mixed Use (CMX) designation to allow for development of both commercial and residential uses on the property. CMX zoning is a conditional zoning district for which future development on the property will be subject to a master plan reviewed and approved as part of the rezoning request. The master plan will be a condition of the zoning and establishes permitted uses, density and dimensional standards, and other development requirements applicable to the property.

Prior to submittal of a rezoning application, the Town of Garner requires applicants to hold a neighborhood meeting and invite owners and tenants of properties within 1,000 feet of the site proposed for rezoning. Following the meeting, the applicant prepares a summary report identifying issues raised and any resolution or explanations provided by the applicant. This report is submitted to the Town as part of the rezoning application. Substantial changes to the proposed rezoning and associated master plan may occur following the neighborhood meeting and after the application is submitted to the Town.

Information about planning and development in Garner, including the rezoning process, can be found on the Town's website at <u>https://www.garnernc.gov/departments/planning-1764</u>, or by contacting the Garner Planning Department at 919-773-4449. If you have any questions about this proposed rezoning, please contact me at 919-981-4006 or <u>tjohnson@williamsmullen.com</u>.

Sincerely,

Horrow A Aller

NEIGHBORHOOD MEETING SUMMARY REPORT: Proposed Rezoning of 5100 Fayetteville Road (Wake County PIN: 1701046088)

The applicant conducted a neighborhood meeting on the proposed rezoning consistent with the requirements of Garner UDO Section 4.4.6. The meeting was held on <u>October 6, 2022</u>, at the <u>Avery Street Recreation Center (Multipurpose Room A)</u>, <u>125 Avery Street, Garner, NC 27529</u>.

Owners and tenants of properties within 1,000 feet of the parcel proposed for rezoning were notified of the meeting by first-class mail using a mailing list provided to the applicant by Garner Planning Department staff. A copy of the meeting notice and mailing list, mailed notices returned, and the meeting attendance roster is attached to this report. A total of 3 neighbors attended the meeting.

Below is a summary of the meeting including questions/comments from attendees and responses provided by the applicant team.

The meeting began at 6:00 PM.

Tyler Morris, representing the applicant Capitol Commercial LLC, introduced members of the applicant team present at the meeting and explained the proposed request to rezone approximately 36.96 acres located at 5100 Fayetteville Road from the current zoning of Light Industrial to Commercial Mixed Use Conditional district with an associated master plan. A preliminary copy of the master plan was shown to the attendees. Mr. Morris explained the proposed zoning is to allow for commercial uses along the property frontage on Fayetteville Road and multi-family residential use on the parcel to the rear of the commercial area. He also reviewed the proposed site layout including location of amenity areas/gathering spaces for residents of the multi-family use, vehicle access, parking areas and buffers.

Attendees did not express any concerns/issues with the proposed zoning, and asked questions and provided comments about the following:

- <u>What types of commercial uses will be allowed under the proposed zoning?</u> Neighbors in attendance mentioned they would like the commercial uses to be compatible. Applicant team explained the commercial uses would be in accordance with those allowed under the Garner UDO for CMX zoning.
- <u>What are the number of bedrooms in the multi-family part of proposed development?</u> Mr. Morris explained the intent is to have mostly one- and two-bedroom units with a small number of three-bedroom units, and that details regarding that design aspect is still being reviewed/discussed by the applicant.
- <u>Does the developer have any other similar projects in the Raleigh area?</u> Mr. Morris and Mr. Stegall provided the locations and details of projects the developer has completed in the area.
- <u>Will the main access to the development be from Highway 401?</u> The applicant team explained primary access to the parcel will be from Highway 401 with additional access from the parcel's frontage on Farm Road, and that access will be reviewed by Town of Garner staff and designed in accordance with the applicable requirements.

NEIGHBORHOOD MEETING SUMMARY REPORT: Proposed Rezoning of 5100 Fayetteville Road (Wake County PIN: 1701046088)

 <u>Will the proposed development be served by public water and sewer?</u> The applicant team explained the plan to design and construct water and sewer utilities in accordance with the applicable requirements and regulations. The team described possible routes for the utilities and explained they are still discussing that aspect of the proposed development with Town staff, and noted the existing topography of the site and surrounding area does not provide many options for routing sewer to the site.

With no further questions or comments from the neighbors in attendance, the meeting concluded at 6:40pm.

March 29, 2023

Re: Notice of Neighborhood Meeting for Proposed Rezoning and Special Use Permit: 5100 Fayetteville Road (Wake County PIN: 1701046088)

Dear Neighboring Property Owner and/or Current Tenant:

You are invited to attend a neighborhood meeting to learn about a rezoning application under review by the Town of Garner for development of commercial and residential uses on a 37± acre property, owned by Lee & Hudgins Enterprises LLC, located at 5100 Fayetteville Road and identified as Wake County PIN: 1701046088, outlined in red on the vicinity map included on the following page. The meeting will be held on <u>Wednesday, April 12, 2023 from 6:00 PM until 7:00</u> <u>PM at the Avery Street Recreation Center (Multipurpose Room A), 125 Avery Street, Garner, NC 27529.</u> Garner's regulations also require submittal of a special use permit application for development with 100 or more multifamily residential units, and for a neighborhood meeting to be held on special use permit as well. The purpose of these meetings is to provide owners and current tenants of neighboring properties an opportunity to learn from the applicant more about the proposed development, ask questions and share feedback with the applicant before the requests are scheduled for public hearing before the Town Council.

The subject property is currently zoned Light Industrial (LI) with a portion of the parcel adjacent to US Highway 401 (Fayetteville Road) being in the Commercial Highway Overlay District. The applicant is proposing to rezone the property to Commercial Mixed Use (CMX) to allow for development of commercial and multifamily residential uses on the property. CMX zoning is a conditional zoning district for which future development on the property will be subject to a master plan reviewed and approved as part of the rezoning request. The master plan will be a condition of the zoning and establishes permitted uses, density and dimensional standards, and other development requirements applicable to the property.

After the rezoning and associated master plan submittal is reviewed by Town staff and prior to scheduling a public hearing with the Town Council, the Town of Garner requires applicants to hold a neighborhood meeting and invite owners and tenants of properties within 1,000 feet of the site proposed for rezoning and an associated special use permit. Following the meeting, the applicant prepares a summary report identifying issues raised and any resolution or explanation provided by the applicant. This report is submitted to the Town as part of the rezoning and special use permit applications. Substantial changes to the proposed rezoning and associated master plan may occur following the neighborhood meeting and before the Town Council votes a decision on the requested rezoning and special use permit.

WILLIAMS MULLEN

Thomas H. Johnson, Jr. Direct Dial: 919.981.4006 tjohnson@williamsmullen.com

Information about planning and development in Garner, including the rezoning and special use permit processes, can be found on the Town's website at https://www.garnernc.gov/departments/planning-1764, or by contacting the Garner Planning Department at 919-773-4449. If you have any questions about this proposed rezoning and special use permit, please contact me at 919-981-4006 or tiphnson@williamsmullen.com.

Sincerely,

Nona Apples

Thomas H. Johnson, Jr.

SUMMARY REPORT FOR 2nd NEIGHBORHOOD MEETING: Proposed Rezoning of 5100 Fayetteville Road (Wake County PIN: 1701046088)

The applicant conducted a neighborhood meeting on the proposed rezoning consistent with the requirements of Garner UDO Section 4.4.6. The meeting was held on <u>April 12, 2023</u>, at the <u>Avery Street Recreation Center (Multipurpose Room A)</u>, 125 Avery Street, Garner, NC 27529.

Owners and tenants of properties within 1,000 feet of the proposed rezoning were notified of the meeting by first-class mail using a mailing list provided to the applicant by Garner Planning Department staff. A copy of the meeting notice and mailing list, mailed notices returned, and the meeting attendance roster is attached to this report. There were two (2) attendees other than the applicant team present at the meeting.

Garner's regulations also require submittal of a special use permit application for development with 100 or more multifamily residential units, and for a neighborhood meeting to be held on special use permit requests. This meeting served as the required second neighborhood meeting on the proposed rezoning and as the required neighborhood meeting for the associated special use permit to be submitted.

Below is a summary of the meeting including questions/comments from attendees and responses provided by the applicant team.

The meeting began at 6:00 PM.

Tyler Morris, representing the applicant, introduced members of the applicant team present at the meeting and explained the proposed request to rezone the property located at 5100 Fayetteville Road from Light Industrial to Commercial Mixed Use Conditional district with an associated master plan. He explained this is the applicant's second neighborhood meeting on the proposed rezoning, and the Town requires applicants to hold this meeting after submitting a rezoning application and prior to a public hearing on the request. He also explained the Town's ordinance requires a special use permit application for developments that propose 100 or more multifamily units, and this meeting serves as both the required second meeting for rezoning and the meeting required prior to submitting the special use permit request.

Mr. Morris explained that Town staff completed their first review of the proposed rezoning master plan and recently provided comments on the proposal to the applicant. He showed a copy of the master plan to attendees, explaining commercial uses will be on eastern portion of parcel closest to Fayetteville Road and multi-family residential use is located to the rear or west of the commercial area. He showed the locations of amenity areas for residents of the multi-family use, vehicle access, parking areas and buffers. Mr. Morris explained revisions to the plan that was shown at the first meeting in response to staff review comments recently received by the applicant.

Attendees did not express any concerns/issues with the proposed zoning, and asked questions and provided comments about the following:

• *Plan/design for serving the development with public sewer?*

Applicant team explained situation with regard to sewer design is similar to that described at the first meeting. They noted options/routes for utilities are still being discussed with Town staff and other agencies, and explained the complexities involved with providing public sewer to this site based on the location of existing sewer, topography and existing road and other utility infrastructure in the vicinity.

SUMMARY REPORT FOR 2nd NEIGHBORHOOD MEETING: Proposed Rezoning of 5100 Fayetteville Road (Wake County PIN: 1701046088)

• <u>Is there a design yet for the multi-family buildings?</u> Mr. Morris explained they do not yet have detailed designs, and provided a general overview of certain proposed design aspects including building height, number of stories, and units accessed via internal corridors.

Mr. Morris encouraged meeting attendees to reach out to the applicant any time during the rezoning process with additional questions. With no further questions or comments from the neighbors in attendance, the meeting concluded at 6:30pm.

| Planning Commission: | TBD |
| Action: | TBD |
II. BACKGROUND / REQUEST SUMMARY

Request: Tier 2 conditional rezoning request (CZ-MP-22-01) submitted by Windsor Commercial to rezone 3.75 +/- acres from **Residential 2 (R2)**, Light Industrial (LI), Light Industrial (LI C14) **Conditional**, and Light Industrial (LI C73) Conditional to Light Industrial (LI C271) Conditional for the development of an additional industrial shell building. The site is at the northwest corner of East Garner Road and High Hope Lane, and may be further identified as Wake County PIN #'s 1721313405, 1721313154, 1721311388 and a portion of 1721311177.

Zoning conditions are proposed that restrict the range of LI permissible uses to a list of 24 permissible uses and provide architectural commitments addressing appearance and quality of materials and construction.

Tier 2 requests are those where an illustrative master plan is included with the written conditions. The master plan is not intended to have the detail of a full site plan. However, it will show a layout of how streets, parking, buffers, stormwater, utilities, amenities, and lots or buildings will relate to each other as well as the surrounding properties. If the rezoning is approved, the applicant must submit a full site plan in keeping with the master plan to staff (and Town Council in the event a SUP is triggered) for review and approval.

III. ZONING ANALYSIS

Existing: The site is zoned Residential 2 (R2), Light Industrial (LI), Light Industrial (LI C14) Conditional, and Light Industrial (LI C73) Conditional.

The Residential 2 (R2) district is established to accommodate low-density single-family homes farther away from nonresidential areas. The district encourages high-quality development and open space protection and is found further away from nonresidential areas. These low-density suburban neighborhoods may or may not include public water and sewer services, although development on public services at this density is not generally considered an efficient use of these services.

The following is a list of permitted uses in the R2 district:

- 1. Single-Family Detached
- 2. Manufactured Home Class A
- 3. Group Care (with 9 or fewer residents)
- Assembly, Civil, Service Fraternal Clubs, Lodges and Similar Uses (SUP)
- 5. Community Center
- 6. School, Primary or Secondary
- 7. Emergency Services (SUP)
- 8. Cemetery

- 9. Religious Institution
- 10. Golf Course or Country Club, Private
- 11. Horse Stables and Related Facilities (SUP)
- 12. Public Park, Passive Open Space, Nature Park
- 13. Bed and Breakfast Inn, 8 rooms or fewer (SUP)
- 14. Minor Utility
- 15. Agriculture or Silviculture

The Light Industrial (LI) District is intended to provide for a limited range of low-intensity industrial uses that are not noxious or offensive due to odors, smoke, dust, noise, fumes, or vibration. Operations are restricted to inside a building with outdoor storage prohibited.

The following is a list of permitted uses in the Light Industrial (LI) district:

- 1. Security or Caretaker's Quarters
- 2. Assembly, Civil, Service Fraternal Clubs, Lodges and Similar Uses
- 3. Higher Education
- 4. Emergency Services
- 5. Prison, Jail, Detention Facility (SUP)
- 6. Cemetery (SUP)
- 7. Hospital (SUP)
- 8. Ambulatory Health & Emergency Care Facility (SUP)
- 9. Religious Institution
- 10. Bar, Nightclub, Tavern
- 11. Indoor Athletic or Entertainment Facility (not theater)

- 12. Outdoor Athletic or Entertainment Facility (SUP)
- 13. Theater, Drive-In (SUP)
- 14. Hotel / Motel
- 15. Other Office Uses Not Listed
- 16. Medical Office
- 17. Restaurant, Sit-down Establishment
- Convenience Store, without Fuel Sales
- 19. Convenience Store, with Fuel Sales
- 20. Funeral Home
- 21. Crematorium (SUP)
- 22. Personal or Professional Services (up to 5,000 sq. ft. ground floor footprint)

- 23. Personal or Professional Services (> 5,000 sq. ft. ground floor footprint)
- 24. Sales / Retail (no outdoor operations)
- 25. Sales / Retail (with outdoor operations up to 25 percent of total sales area)
- 26. Sales Oriented Use (with outdoor operations > 25 percent of total sales area)
- 27. Parking Lot or Deck, Commercial
- 28. Self-Storage, Mini Storage
- 29. Veterinarian / Kennel, Indoor
- 30. Veterinarian / Kennel, with Outdoor Operations (SUP)
- 31. Vehicle Sales, Rental, Service, Repair

- 32. Flex Space, Other Light Industrial, Manufacturing, Warehousing, or Transportation Uses Not Listed
- 33. Microbrewery / Microdistillery
- 34. Wholesale Sales
- 35. Industrial, Manufacturing, or Production, Indoor Only
- 36. Passenger Terminals (SUP)
- 37. Water Treatment, Wastewater Treatment, Natural Gas, Electric Substation (SUP)
- 38. Minor Utility
- 39. Telecommunication Facility
- 40. Concealed Telecommunication Facility
- 41. Greenhouse, Nursery (commercial), indoor operations

The following is a list of uses requiring a special use permit in the LI C73 district (old UDO):

- 1. Mobile home parks and subdivisions
- 2. Mobile home sales
- 3. Golf driving ranges; water slides
- 4. Drive in movie theaters
- 5. Restaurants, bars, and nightclubs
- 6. Sales and retail of motor vehicles
- Storage parking, and repair of motor vehicles except as incidental to business conducted on the property

- 8. Self-service carwash
- 9. Storage of radioactive or hazardous waste
- 10. Truck terminals except as incidental to business conducted on the property
- 11. Salvage yards, junk yards, automobile graveyards
- 12. Animal kennels
- 13. Sanitary landfill

The following is a list of example businesses permitted in the LI C14 district (old LUO):

- 1. Contractual services (roadway grading and utilities company
 - a. Residential and commercial construction companies
 - b. Electrical contractors
 - c. Heating and air contractors
 - d. Plumbing contractors
 - e. Repair services
- 2. Wholesale businesses

- a. Specialized building materials
- b. Parts warehouses and furniture dealers
- 3. Retail businesses
 - a. Engineering services
 - b. Copying services
 - c. Building supplies
 - d. Appliance sales centers
 - e. Computer sales and repair

Proposed: The proposed zoning of the site is **Light Industrial (LI C271) Conditional**. Again, the Light Industrial (LI) District is intended to provide for a limited range of low intensity industrial uses that are not noxious or offensive due to odors, smoke, dust, noise, fumes, or vibration. Operations are restricted to inside a building with outdoor storage prohibited.

The applicant has proposed the following permitted uses and conditions:

1. Permitted Use table:

| Use Category | Specific Use | LI C271 |
|---------------------|--|---------|
| Civic and | Assembly, Civil, Service Fraternal Clubs, Lodges, | Р |
| Institutional | and Similar Uses | |
| | Higher Education | Р |
| | Ambulatory Health & Emergency Care Facility | S |
| | Religious institution | Р |
| Recreational and | Indoor Athletic or Entertainment Facility (not | Р |
| Entertainment | theater) | |
| | Outdoor Athletic or Entertainment Facility | S |
| Commercial, Office, | Other Office Uses Not Listed | Р |
| Retail, Service | Medical Office | Р |
| | Convenience Store, with Fuel Sales | Р |
| | Personal or Professional Services (up to 5,000 sq. | Р |
| | ft. ground floor footprint) | |
| | Personal or Professional Services (<5,000 sq. ft.) | Р |
| | Sales/Retail (no outdoor operations) | Р |
| | Sales/Retail (with outdoor operations up to 25% | Р |
| | of total sales area) | |
| | Parking Lot or Deck, Commercial | Р |
| | Self Storage, Mini Storage | Р |
| | Veterinarian / Kennel, Indoor | Р |
| | Veterinarian / Kennel with Outdoor Operations | S |
| | Vehicle Sales, Retail, Service, Repair | Р |
| Industrial, | Flex Space, Other Light Industrial, Manufacturing, | Р |
| Manufacturing, | Warehousing, or Transportation Not Listed | |
| Warehousing, | Microbrewery / Microdistillery | Р |
| Waste Services and | Wholesale Sales | Р |
| Transportation | Industrial, Manufacturing, or Production, Indoor | Р |
| | Only | |
| Utilities | Minor Utility | Р |
| Agriculture and | Greenhouse, Nursery (commercial), Outdoor | Р |
| Miscellaneous | Operations | |

- 2. 100% of plant material shall be native species.
- 3. EFIS shall be limited to 25% of the building.
- 4. SCM fence shall be black aluminum picket type.

Overlay Districts: This property falls within the **Commercial Highway (CHO) Overlay District** and the **Limited Access Highway (LHO) Overlay District**. These overlay districts have additional development standards applicable to non-residential development. None of the prohibited uses are proposed for conditional inclusion.

Commercial Highway (CHO) Overlay prohibited uses:

- a. Drive-in movie theaters
- b. Adult cabarets and establishments
- c. Outside storage of goods not related to sale or use on premises
- d. Scrap materials, salvage yards, junkyards, and automobile graveyards
- e. Mining or quarrying operations; including on-site sales of products; coal or aggregate sale and or storage; concrete mixing plant;
- f. Reclamation landfill
- g. Commercial greenhouse operations
- h. Recyclable material collection centers
- i. Solar Farms

Commercial Highway (CHO) Overlay prohibited uses adjacent to or within 150 feet of existing residential uses:

- a. Hotel/motels
- b. Pool halls/bowling alleys only
- c. Bars/night clubs/ABC-permitted private clubs

Limited Access Highway (LHO) Overlay prohibited uses:

- a. Truck terminals.
- b. Mobile home parks.
- c. Subdivisions.
- d. Mobile home sales lots.
- e. Scrap material salvage yards, junkyards, automobile graveyards.
- f. Sanitary (reclamation) landfill.
- g. Body shops.
- h. Storage of radioactive or otherwise hazardous wastes.
- i. Outside kennels.
- j. Drive-in theaters.
- k. Golf driving ranges.
- I. Water slides.
- m. Self-serve car washes.
- n. Solar farms

Limited Access Highway (LHO) Overlay restricted uses:

- a. Truck service centers (truck stops).
- b. Vehicle sales.
- c. Uses with storage for retail such as lumber yards, heavy equipment dealers, and similar uses.

Zoning History: The Planning Department's rezoning database contains the following rezoning cases in the vicinity of this property. Cases from the past 20 years are listed below.

| Case | Applicant | Location / Project | Zoning Change |
|-------------|--------------------------------------|---------------------------|-----------------------------|
| CUD-Z-03-01 | Jones & Cnossen Engineering, PLLC | Ashlyn Subdivision | R-20 to R-9 C118 |
| CUD-Z-05-05 | CLH Design PA | East Garner Elementary | RCD-3 C107 to R- 20 C134 |
| CUD-Z-14-02 | Bass, Nixon & Kennedy, Inc. | E Garner Road | I-1 to I-2 C173 |
| CUD-Z-16-12 | East Garner LLC | Direct Distributors | O&I C158 to O&I C192 |

Adjacent Zoning and Land Use:

- North: HI Industrial- S T Wooten Corporation
- South: R2 East Garner Middle School
- East: LI Industrial- S T Wooten Corporation
- West: R2

Single Family Residential

IV. COMMUNITY INFORMATION

Overall Neighborhood Character: The area is a mix of industrial, civic/institutional and residential. Industrial is the most prominent land use in the area, with ST Wooten and The Martin Marietta Quarry along East Garner Road – albeit mostly to the east of I-40. The residential is limited to single family homes closer to the intersection of East Garner and Jones Sausage roads. The area is also heavily influenced by the presence of East Garner Middle School across East Garner Road from this site.

Traffic: The project will have approximately 270 feet of frontage along East Garner Road. As general background information only, the NCDOT average daily traffic count history on East Garner Road is as follows:

- Year 2011 4,300
- Year 2013 4,300
- Year 2015 5,500

First Neighborhood Meeting: A

neighborhood meeting was held on March 23, 2023, at 5:30 PM in the Garner Senior Center. There were approximately 18 people in attendance.

Neighborhood Meeting Summary: Items discussed during the meeting included questions about traffic, timing,

dust prevention, and use. See full neighborhood meeting information attached at the end of this report for further detail.

- Year 2017 5,800
- Year 2019 N/A
- Year 2021 8,000

Second Neighborhood Meeting: A neighborhood meeting was held on August 31, 2023, at 6:00 PM in the Garner Senior Center. There were approximately 4 people in attendance.

Neighborhood Meeting Summary: Questions discussed during the meeting included questions about adjacent properties and the reason for rezoning.

See full neighborhood meeting information attached at the end of this report for further detail.

V. PLANNED DEVELOPMENT PROJECT DATA

| Acreage: | 3.75 +/- acres |
|----------------|----------------------------------|
| Units/Building | Existing 5,000 sq. ft. building; |
| Size: | Proposed 16,000 sq. ft. building |

Master Plan:

Buildings:

South Elevation:

West Elevation:

To be reverified at site plan and/or general zoning compliance for UDO conformity. Industrial portions of buildings are exempt from most architectural requirements; however, office portions are not.

| Lots and | Minimum lot width: | 100 Feet | | | | | | | |
|----------------------------|--|--|--|--|--|--|--|--|--|
| Setbacks: | Front setback: Side setback: Rear setback: Corner side setback: | 50 feet 25 feet 50 feet 35 feet | | | | | | | |
| | Maximum height: | 50 feet | | | | | | | |
| Landscape and Buffer | <i>Tree Canopy Cover:</i> Sliding scale from 12-14% to be met. Master plan envisions 12% minimum just in preservation of existing tree canopy. | | | | | | | | |
| Requirements: | Perimeter Buffers: | | | | | | | | |
| | 25' buffer along the northern boundary 55' perimeter buffer along the western boundary | | | | | | | | |
| | <i>Street Trees:</i> Must be provided approximately every 40 feet along all streets and driveways. | | | | | | | | |
| Environmental Features: | ed floodplains within the project boundary. stream and associated wetlands along the | | | | | | | | |

| Parks and Open | Open Space – | | | | | | |
|----------------|---|--|--|--|--|--|--|
| Space: | • Not required for commercial development. | | | | | | |
| Lighting: | To be verified at site plan for UDO compliance. | | | | | | |
| Parking: | To be verified at site plan for UDO compliance. | | | | | | |

Infrastructure: Stormwater Management – Dougher Light Industrial is not located within the watershed protection area. This site is subject to stormwater water quality requirements for nitrogen as well as water quantity requirements for the 1-, 10-, and 25-year storm events. This development master plan proposes one stormwater control measure (SCM). This SCM shall satisfy all water quality and water quantity requirements at this site for nitrogen and will be required to detain the 1-, 10-, and 25-year storm events.

Water/Sewer – The site will be served by City of Raleigh water and sewer infrastructure. Water will connect to the existing main in East Garner Road. Sewer service will tie into existing lines just to the west of the site along East Garner Road via force main.

Transportation/Access – The project will have two points of access off of High Hope Lane (existing 50' private access easement off East Garner Road). A cross access easement will be provided on the western property line for possible connection with future development along East Garner Road. Curb, gutter, and a 10-foot multiuse path will also be required along the public street frontage.

VI. PLAN CONSISTENCY

Statutory Directive: When considering a rezoning request, the Planning Commission is required by state statute to make a written recommendation regarding the consistency of the zoning proposal with the Town's current Comprehensive Plan and other applicable adopted plans. Specifically, a comprehensive plan is only advisory in nature and has no independent regulatory effect; nor does it expand, diminish or alter the scope of the Town of Garner UDO. A determination of inconsistency with the Plan <u>does not</u> preclude a rezoning request from being found to be reasonable. In those cases where the request is deemed inconsistent yet reasonable, an amendment to the Comprehensive Plan is automatically made upon approval of the request.

Staff offers that the Planning Commission shall review consistency with the following plans:

- 2018 Garner Forward Comprehensive Plan
- 2010/18 Garner Transportation Plan
- Parks, Recreation, Greenways and Cultural Resources Master Plan

Preview of 2018 Comp Plan's Future Land Use Map: (site is currently designated as corridor light industrial center in lavender.)

VII. REASONABLENESS

Statutory Directive: In addition to approving a statement regarding plan consistency upon the advice of the Planning Commission, the Town Council must also approve a statement of reasonableness when making their decision. Sources of reasonableness may include other sections of the 2018 *Garner Forward Comprehensive Plan* providing guidance on keeping the Town's character, living spaces, working places, recreation opportunities and transportation. Other adopted Town plans and policies providing guidance on parks, greenways, cultural resources and more may serve as sources as well. The Town Council may find that a rezoning request furthers the efforts to achieve specific goals and objectives stated within these plans and policies; and thereby render said request a reasonable one. The converse may also apply.

VIII. RECOMMENDATION

Staff recommends that once the Town Council has heard comments, concerns, and questions from the general public that conditional rezoning request CZ-MP-23-01 be referred to the Planning Commission for their review and recommendation regarding plan consistency.

March 10, 2023

Dear Property Owner,

On behalf of the owners of 613 E Garner Rd, 101 High Hope Ln, and 0 High Hope Ln, I would like to invite you to attend a neighborhood information meeting concerning the development of said property. Specifically, Windsor Commercial has requested a rezoning of said property from Residential 2 (R2) and Light Industrial (LI) Conditional to LI Conditional to allow for the development of an additional building on 0 High Hope Ln as shown on the attached site plan on the other side of this page. The meeting details are as follows:

Thursday, March 23, 2023 5:30PM Garner Senior Center 205 E Garner Rd Garner, NC 27529

Per Town of Garner ordinance requirements, we are notifying you of this meeting because your property is located within the written notification area for public hearings. While this meeting is not a public hearing, it is an opportunity for you to meet with the owners and/or applicants to hear about their intention to rezone and/or develop the land. You are encouraged to ask questions and express concerns so that we may help you to more fully understand the proposed project.

Town Planning staff will not be in attendance at this meeting, but if you have additional questions about the project, you may contact the Town's case manager, David Bamford at 919.773.4443 or dbamford@garnernc.gov. Property owners within the notification area will receive a separate notice from Town Planning staff when a public hearing is scheduled before the Garner Town Council.

If you have any questions about this neighborhood information meeting, or if you are unable to attend and would like to speak with someone regarding the proposal, please feel free to contact me at jfrazier@flmengineering.com. We look forward to seeing you at the meeting.

Sincerely,

Jor of Am

Jon Frazier, PE, LEED AP Principal FLM Engineering, Inc.

High Hope Lane Rezoning Neighborhood Meeting Summary

On Thursday, March 23, 2023, a neighborhood meeting was held to inform neighbors of the proposed rezoning of 613 E Garner Rd, 101 High Hope Ln, and 0 High Hope Ln and to gain their feedback for consideration in development of the zoning conditions. The notification sent to the neighbors is attached along with the list of neighbors notified. The neighbors that attended the meeting are shown on the attached sign-in sheet. The attendees that represented the development team included Jon Frazier, FLM Engineering, and Alex Hale, Windsor Commercial. Below is a summarized list of the questions raised at the meeting along with answers provided by the development team.

Q1: Why is the property being rezoned?

A: To facilitate development of the site, the developer is acquiring 0.25 acre of 613 E Garner Road, which is currently zoned R2. The 0.25 acre will be required to be rezoned to LI to match the rest of the site. The other parcels included in the site plan are already zoned LI or LI Conditional. For consistency, all parcels included in the site plan are being rezoned to LI Conditional.

Q2: Will the parking lot be paved?

A: Yes.

Q3: Will there be any dust prevention?

A: Because the site will be paved, we do not anticipate dust generation.

Q4: Will there be increased traffic?

A: The existing business located in the existing building will relocate to the new, proposed building. Therefore, we do not anticipate increased traffic.

Q5: What is the timing of this development?

A: We anticipate approximately 12 months to get through rezoning and site plan approval before site construction can begin.

Q6: What is the timing of this development?

A: We would anticipate that the earliest we would have permits in hand would likely be about a year from (early 2024); infrastructure construction would take another six months after that; and then the townhome construction would likely take another six months after completion of infrastructure. Given that, we'd expect at least two years before the units would be occupied.

Q7: Will there be an effect on Jones Sausage Road from this project?

A: No, we do not anticipate any effects on Jones Sausage Road.

Q8: Will there only be one tenant in the new building?

A: As of now, there is only plans for one tenant in the building.

Q: Will 611 E Garner Road be forced to rezone?

A: No.

August 9, 2023

Dear Property Owner,

On behalf of the owners of 613 E Garner Rd, 101 High Hope Ln, and 0 High Hope Ln, I would like to invite you to attend a neighborhood information meeting concerning the development of said property. Specifically, Windsor Commercial has requested a rezoning of said property from Residential 2 (R2) and Light Industrial (LI) Conditional to LI Conditional to allow for the development of an additional building on 0 High Hope Ln as shown on the attached site plan on the other side of this page. The meeting details are as follows:

Thursday, August 31, 2023 6:00PM Garner Senior Center 205 E Garner Rd Garner, NC 27529

Per Town of Garner ordinance requirements, we are notifying you of this meeting because your property is located within the written notification area for public hearings. While this meeting is not a public hearing, it is an opportunity for you to meet with the owners and/or applicants to hear about their intention to rezone and/or develop the land. You are encouraged to ask questions and express concerns so that we may help you to more fully understand the proposed project.

Town Planning staff will not be in attendance at this meeting, but if you have additional questions about the project, you may contact the Town's case manager, David Bamford at 919.773.4443 or dbamford@garnernc.gov. Property owners within the notification area will receive a separate notice from Town Planning staff when a public hearing is scheduled before the Garner Town Council.

If you have any questions about this neighborhood information meeting, or if you are unable to attend and would like to speak with someone regarding the proposal, please feel free to contact me at jfrazier@flmengineering.com. We look forward to seeing you at the meeting.

Sincerely,

Jor of Am

High Hope Lane Rezoning Neighborhood Meeting Summary

On Thursday, August 31, 2023, a second neighborhood meeting was held to inform neighbors of the proposed rezoning of 613 E Garner Rd, 101 High Hope Ln, and 0 High Hope Ln and to gain their feedback for consideration in development of the zoning conditions. The notification sent to the neighbors is attached along with the list of neighbors notified. The neighbors that attended the meeting are shown on the attached sign-in sheet. The attendees that represented the development team included Jon Frazier, FLM Engineering, and Alex Hale, Windsor Commercial. Below is a summarized list of the questions raised at the meeting along with answers provided by the development team.

Q1: Why are you rezoning my property?

A: We are not requesting to rezone any properties other than those listed on the notification and shown on the plan provided.

Memorandum

| TO: | Jodi Miller, Assistant Town Manager |
|----------|--|
| FROM: | María Muñoz-Blanco, Director of Parks, Recreation and Cultural Resources |
| | Lisa Rodriguez, Senior Engineering Project Manager |
| | Katie Lockhart, Parks and Nature Superintendent |
| DATE: | October 17, 2023 |
| SUBJECT: | Meadowbrook Park Dam Improvements – Bid Award for Phase 1 Construction |

BACKGROUND

In 2022, studies conducted at Meadowbrook Park identified deficiencies in the condition of the earthen dam and pond. The Town contracted with TranSystems in November 2022 to provide engineering and design services and develop construction documents for the drawdown and breach of the dam. A community meeting was held on May 23, 2023 to update the neighborhood about the project.

The Meadowbrook Park Improvements Phase 1 has finished design and the construction bid was advertised in September 2023. Phase 1 consist of draining the existing pond, relocating native fish, and safely breaching the earthen dam. This project is funded through the FY24 CIP Budget.

Phase 1 Construction was advertised for bid from September 7 to October 5, 2023. The Town received two responsive bids and one non-responsive bid. The two responsive bids are of the following values:

| Company: | North State Environmental Inc. | Shamrock Construction & Remediation Ll | | | | | | |
|------------------|--------------------------------|--|--|--|--|--|--|--|
| Base Bid Totals: | \$ 240,585.00 | \$ 260,036.00 | | | | | | |

North State Environmental Inc. is deemed the lowest, responsive, responsible bidder. They provided the lowest cost, a complete bid package with required documentation and references that provided positive feedback.

The completion of this phase will be followed by a mandated 6-month drying period by the United States Army Corps of Engineers to observe natural wet streams. Based on the outcome of this period, we expect that Phase 2 will include constructing a smaller pond amenity.

NEXT STEPS

Following approval by Town Council, staff will finalize the construction contract and obtain signatures from applicable parties.

STAFF RECOMMENDATION

That the Town Council approve the bid award to North State Environmental Inc. in the amount of \$240,585.00.

MEADOWBROOK PARK DAM IMPROVEMENTS

Presentation to Town Council | 10.17.2023

PURPOSE OF THE PRESENTATION

- Provide background information about the Meadowbrook Park dam and pond.
- Request Town Council approval for the bid award for the construction project to breach the dam.

PROJECT BACKGROUND

- As part of the design process for the future Meadowbrook Park, the Town conducted two engineering studies of the condition of the dam in 2022.
- The studies identified deficiencies in the dam that required removal or reconstruction.
- Based on cost considerations, a decision was made to remove the earthen dam and pond.
- The Town contracted TranSystems in November 2022 to provide engineering and design services for the breach of the dam and drawdown of the pond.
- In the course of the design work, the U.S. Corps of Engineers (USACE) was consulted. Based on the mandated 6-month drying period to observe natural wet streams, the project will be pursued in two phases: Phase 1 is the drawdown and breach of the dam, and Phase 2 (pending USACE) will be the construction of a smaller pond amenity.
- Project is funded in the FY24 Capital Improvement Budget.

PHASE 1 BID AWARD

- Phase 1 Construction was advertised for bid from September 7-October 5, 2023.
- The Town received two responsive bids and one nonresponsive bid.
- The two responsive bids were:
 - North State Environmental, Inc. \$240,585.00
 - Shamrock Construction & Remediation LLC \$260,036.00
- Staff recommends awarding the bid to the lowest responsible responsive bidder, North State Environmental, Inc.

NORTH STATE ENVIRONMENTAL, INC.

- Founded in 1994 and specializing in erosion control, stream / river restoration, wetlands mitigation, and stormwater control.
- Based in Winston-Salem and works nationally.
- Has completed 13 dam removal projects, including Payne Branch / Middle Fork New River (Watauga County) and Odell's House Mitigation Site (Johnston County).

Pictures from Payne Branch Dam Removal

Page 106

Project Description

Design and engineering services to develop construction documents to improve conditions of the Meadowbrook Park dam and pond. The pond is a contributing structure to Meadowbrook's National Historic Register designation.

Purpose of Project

Determine safe, cost-effective solution to address deteriorating conditions of the dam and associated pond to ensure long-term safety in the development of Meadowbrook Park.

Talk of the **TOWN**

Council Requests & Updates

October 17, 2023

This monthly report provides an update on Council requests, items submitted on the Garner Info app, and quarterly development statistics.

New Rand Road Traffic Light (Vance)

The Transportation Systems Management & Operations unit of NCDOT conducted an investigation of the signal at New Rand and 70 Hwy and did not observe any issues or recommend any changes. Town staff will continue to report any concerns so that NCDOT can monitor.

Bushes on W. Garner Road (Behringer)

Public Works has trimmed the bushes that were blocking the sidewalk in front of 108 W. Garner Rd.

Development Pipeline Information (Dellinger)

The Planning Department is working to format a development pipeline report (for PDF printing) to post on the Planning Department webpage. Planning staff is working to have the report posted by the end of October with monthly updates provided thereafter.

Boathouse Planning (All)

Following up to the presentation on the South Garner Greenway/Buffaloe Road Alignment, staff's recommendation is that the next step is to complete a master plan for Lake Benson Park. This master plan would identify an optimal location for a new boathouse, consider the impact of an additional amenity in the already popular park, and address stormwater and accessibility requirements. The master plan would also provide a general estimate of cost. Once a consultant is identified and funds are available, since this is an existing park, staff expects the master plan process would be of a shorter timeframe (4-6 months from the time a contract is signed).

Upcoming PRCR Events (All)

GPAC is hosting the Heritage Brass Ensemble of the U.S. Air Force Heritage of America Band on **October 24 at 7:30 pm** for a free concert. Based at Joint Base Langley-Eustis (Hampton/Newport News), the six-member ensemble brings the military tradition of brass and percussion to the concert stage.

Trick-or-Treat the Trails will be held at White Deer Park on **Tuesday, October 31 from 3:00 to 6:00 pm**. More than 50 community groups will participate providing candies and goodies. Food trucks will be available. Parking for the public will be at Lake Benson Park.

TALK OF THE TOWN

OCTOBER 17, 2023

The Town's annual Veterans Day commemoration will be held on **Saturday, November 11 from 10:30 am to 12 pm** at Aversboro Road Baptist Church. The event is free to the public and will feature music by the Garner Magnet High School band and a keynote address (speaker to be announced). The event is co-sponsored by the Garner Veterans Advisory Committee. Free tours of the Veterans Memorial will be given following the program.

OCTOBER 17, 2023

| unuuu | |
|----------|--|
| To: | Rodney Dickerson, Town Manager |
| From: | David C. Beck, Finance Director |
| Date: | October 17, 2023 |
| Subject: | Financial Reports for 1st Quarter FY 2023-24 |
| CC: | Town Council |
| | |

Attached is a statement of revenues and expenditures for FY 2024 through September 30, 2023. We are three months or approximately 25% into the fiscal year.

Year-to-date, the Town has collected approximately 11.6% of estimated revenues. A few revenue highlights include:

- Most property tax revenues (apart from vehicle taxes) are collected in the months of November, December, and January. At the end of September, we have collected 14.7% of the budgeted property tax revenue for the year.
- Sales tax and other intergovernmental revenues for the current fiscal year will begin coming in during October.
- Building permit revenues are down compared to the prior year. The prior year was boosted by several large commercial projects. The current year is on pace to hit the budget mark though.
- Unrestricted interest on invested and deposited monies continues to be strong due to the rise in interest rates. Actuals to date are almost \$150,000 for the year.

Please review the attached Analysis of Revenues for additional information on key revenue streams. The Sales Tax Tracker has been updated to show detail for each month received to date. We have not received our first disbursement for the new fiscal year at this time.

Overall, the Town has expended approximately 19.5% of its budget. When encumbrances are added to the actual expenditures that rises to 34.8%. At the same point in the previous fiscal year, the Town had spent 21.9% of its budget. Some of the notable expenditures so far include:

- Annual dues and subscriptions as well as annual renewals of contracted services are paid at the beginning of each fiscal year.
- The Town has expended nearly \$2.3 million for debt service costs which represents 38% of the total budget for debt service.
- Year-to-date salary and benefits are 43.1% of all expenditures.

Memorandum

• The Town has made its annual premium payment for workers compensation insurance.

The fiscal year is off to a positive start. The local economy remains very strong as well. We will monitor economic trends such as inflation, fuel prices, and interest rates to anticipate potential local impacts here in Garner as the year progresses. Please let me know if you have any questions.
